

# AWR ADVANTAGE™

TWO-WAY BUSINESS RADIO

## Videos

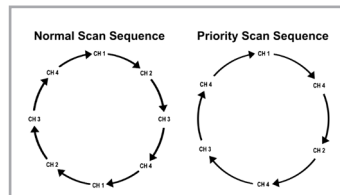

**AWR Advantage: Introduction**  
Introducing our newest radio, the AWR Advantage. It is feature rich from changeable colored face plates to programmable options like transmit power.  
<https://youtu.be/Urj3jvswlZQ>

**AWR Advantage: Naming Channels (Aliases)**  
Instead of channels being labeled as Channel 1, an up to 8 character alias can be assigned to that specific channel.

**AWR Advantage: Features & Benefits for Retail**  
The AWR Advantage goes above and beyond the traditional benefits to provide your company with superior value, all at a reasonable price.  
<https://youtu.be/shBtcaLopWg>

**AWR Advantage: Scanning**  
Scanning is used to monitor multiple channels, the AWR Advantage will automatically cycle through the programed scan list once the scan function is activated.  
<https://youtu.be/DSXJ7LUXSzo>

**AWR Advantage: Durability and Life Testing**  
The AWR Advantage was engineered from the ground up to eliminate common break points. It has gone through and passed various accelerated life tests.
